Section C: Agreement

I acknowledge that I have been granted permission to use the CRC data or reports which I have bought in accordance to CRC privacy policy and methodological rules or instructions, where needed.

I declare that I will use CRC data after permission and I will use the CRC as reference in my research activities (publications, conferences, lectures etc).

I will send a short report or copy of my research results to the CRC team when completed in order to contribute in their research and cancer knowledge.
